

Privacy Policy of <https://bedubai.aiforeveryone.com.pl>

This Privacy Policy defines the rules for processing and protecting the personal data of users using the website <https://bedubai.aiforeveryone.com.pl/>.

1. Data Controller

The controller of personal data collected through the website is:

JT CONSULTING - Juliusz Tomeczek

ul. Panewnicka 327/8

40-773 Katowice, Poland

Tax ID (NIP): PL6331823945

E-mail: jtomeczek@aiforeveryone.blog

2. Scope and Purpose of Data Collection

The website limits the collection of data to the minimum necessary to provide services and communication. Data is processed for the following purposes:

- **Contact Form Handling:** We process data voluntarily provided by the user (e.g., name, e-mail address, message content) to respond to inquiries and manage business relationships.
- **Business and Marketing Communication:** Sending commercial information and educational materials, provided the user has given consent.
- **Statistics and Traffic Analysis (Google Analytics):** Monitoring how users use the site to optimize its operation and content.
- **Technical Monitoring and Visibility (Google Search Console):** Analyzing the correctness of website indexing and its visibility in search results to ensure efficient access to the service.
- **Technical Purposes:** Ensuring the security of the website on the VPS server (OVH).

3. Legal Basis for Processing

Data is processed in accordance with Regulation (EU) 2016/679 of the European Parliament and of the Council (GDPR):

- **Art. 6(1)(f) GDPR:** Legitimate interest of the Controller (establishing client relationships and maintaining the technical condition and visibility of the service).

- **Art. 6(1)(a) GDPR:** Voluntary consent of the user (expressed via the contact form or cookie settings).

4. Data Recipients

Your data may be transferred to trusted third-party entities:

- **OVH Cloud:** Hosting provider (VPS server).
- **HubSpot, Inc.:** CRM system used for business relationship management. Personal data within HubSpot services for EU clients is stored on servers located in the European Union.
- **Google LLC:** Through Google Analytics and Google Search Console services. This data is used for traffic analysis and technical performance of the site.

In the case of Google services, data may be transferred to servers located in the USA. These entities ensure an adequate level of data protection by using Standard Contractual Clauses (SCCs).

5. Data Retention Period

Personal data will be stored for the period necessary to achieve the purpose for which it was collected, until the user withdraws consent, or until the statute of limitations for potential claims expires.

6. User Rights and Withdrawal of Consent

Every data subject has the right to access, rectify, delete ("right to be forgotten"), or limit the processing of their data, as well as the right to object and lodge a complaint with the President of the Personal Data Protection Office (UODO).

How to manage consents?

1. **Communication (HubSpot):** You can unsubscribe at any time by clicking the "Unsubscribe" link in the footer of any e-mail received or by contacting us directly.
2. **Statistics (Google Analytics):** You can block GA tracking by installing the browser add-on: [Google Analytics Opt-out Browser Add-on](#).

7. Cookies

The website uses cookies to ensure proper operation and to collect anonymous analytical data. Users can change cookie settings in their browser, although this may affect the functionality of the website.
